

**Whether it's through her programs or her Instagram, Tasha loves to empower others with education. Her grounding in principles of haircolour allow her to translate her creative colour mastery into salon-friendly, yet time-saving techniques. As a Redken Certified Haircolorist and 12 years in the industry, Tasha is not only able to customize any haircolor trend for her diverse clientele, but she is also dedicated to helping stylists grow their color business by simplifying different haircolor scenarios that we see behind the chair.**
