

FACIAL CUPPING & GUA SHA

Discover the art and science behind two of the most powerful facial rejuvenation techniques - Facial Cupping and Gua Sha - in this look and learn class tailored for professional aestheticians.

Led by a Quannessence Educator, this demonstration-based session introduces you to the therapeutic benefits, techniques, and proper tool use for promoting lymphatic drainage, reducing puffiness, and enhancing skin vitality using our signature Q Gua Sha and Facial Cupping set paired with our results-driven Quannessence products. Perfect for professionals seeking to broaden their treatment menu and understand how to integrate these techniques into holistic facial services.

Note: This class is demonstration only (non-hands-on). For a practical, hands-on experience, please inquire about our advanced training options.
