Examination Guide

Please Read Carefully.

Exam Time:

- ***Exams will begin at the time issued on the participant's Exam notification. Being late will result in disqualification.***
- **A photo ID is required for registration (for both participant and model).** Once registered, the Exam participant is not permitted to leave the Exam area for any reason without approval from an Examiner.
- Failure to follow all directions for each phase could result in disqualification from the Exam.
- Arrangements for an oral Exam must be noted on the participant's Exam application and must be approved by the Executive Director a minimum of 45 days in advance of Exam Day.
- Any special arrangements (such as an interpreter) must be arranged with the Executive Director well in advance of the Exam; all out of pocket expenses arising therefrom are the responsibility of the Exam participant.

Failure to be prepared for Exams will result in disqualification from Provincial Examinations.

Not permitted in the Exam area during the Exam:

- Cameras, cell phones or other electronic devices (including smart watches)
- Food or drinks
- Reference or paper notes
- Textbooks

Family, friends, or children are not permitted in the testing area(s) for any reason.

Note: It is recommended participants bring snacks/lunch and drinks for break times.

Model: IMPORTANT

- Model must be at least 18 years of age and cannot be:
 - ❖ a licensed esthetician;
 - ❖ licensed in make-up artistry;
 - ❖ licensed in nail technology;
 - ❖ licensed in eyelashes;

COVID-19 PROTOCOLS

Participants are not required to wear a non-medical grade face mask while on the premises, including models, but may choose to do so.

Professional Appearance and Behavior:

- All participants must present a professional attitude and appearance. Behavior should be professional at all times and participants must always show respect for Examiners (including models).
- Subdued conversation is expected between the model and the practitioner, and all participants should avoid loud interaction. **Participants who cause disruption at the Provincial Exam will be asked to leave the premises and will be marked DNA.**
- Professional attire must be worn (e.g.: clean and ironed college uniform or black pants, clean and ironed white or black top (with no visible midriff), and appropriate working, comfortable shoes). ***Failure to wear the proper attire may result in disqualification from the Provincial Exam(s).***

Tools:

- A suggested checklist is provided for each practical phase. **NOTE:** some phases require the same tools. All tools must be clean and disinfected prior to each use during the Exam (if the same tool is used for numerous phases during the practical Exam, the tool must be cleaned and disinfected prior to the next phase). It is recommended to have multiple clean and disinfected tools for working.

NOTE: Not all tools may be listed. It is recommended that you go through each phase noted herein to ensure you have everything you require for your practical (include extra tools, supplies, products, etc.).

- Tools and products **must be of professional grade.**
- Tools must be pre-disinfected and stored in an appropriate container prior to the practical Exam.

- Exam participants are responsible for service and practical set up and are given 15 minutes upon arrival for set up of all services prior to the start time.

Borrowing is not permitted during the Exam; failure to bring the required tools or supplies will result in failure of the phase the participant is not prepared for.

SAFETY: tool bags should be kept away from the practical Exam area and should be kept neat and tidy during the Exam to avoid hazards (e.g.: tripping over bags).

NOTE: examiners will provide an overview for the day, including: COVID-19 protocols, washroom, and smoking area locations, emergency exits (fire escape route) and the emergency muster area outside prior to the start of the Exam(s).

Although Exam duration times are listed below, the Exam Day scheduled times may vary throughout Exam Day.
