

ADVANCING SKILLS

Intimate Waxing

EURObeauty
BY ANNA GIGUERE

This **intensive professional development course** is specifically designed for licensed professionals seeking to achieve **true mastery and confidence** in intimate hair removal services using advanced hard wax systems.

Move beyond traditional methods with a system that has **revolutionized the waxing industry**, offering a superior experience for both the client and the professional. Learn how to transform a routine hair removal service into a remarkable, skin-soothing treatment.

What You Will Gain:

- **Mastery and Confidence:** Step-by-step instruction and personalized coaching will provide you with the most complete set of technical skills, detailed anatomical knowledge, and the confidence required to **expertly and comfortably** perform intimate waxing services.
- **A Superior Client Experience:** Learn advanced hard wax application and removal techniques that adhere only to the hair, significantly **reducing client discomfort, minimizing skin trauma, and preventing ingrown hairs**.
- **The Hard Wax Advantage:** Understand how high-quality hard wax works with the professional—not against them—to ensure efficient service and leave the skin feeling calm, smooth, and nourished.
