

TECHNIQUES FOR RESULTS

Elevated Facial Massage

EURObeauty
BY ANNA GIGUERE

This advanced professional development class equips estheticians with the specialized skills and knowledge required to deliver a truly **breathtaking relaxation massage** that doesn't just soothe but significantly **amplifies the achievable results** of their skincare services. Master the ability to lift, sculpt, drain, and de-stress your clients while simultaneously enhancing product efficacy.

Comprehensive Curriculum & High-Value Techniques:

This intensive session covers the theory, practical application, and integration of cutting-edge and traditional modalities:

- **Facial Gua Sha:** Learn ancient techniques for lymphatic drainage, contouring, and releasing deep muscular tension.
- **Facial Cupping:** Master gentle, targeted suction to boost circulation, plump the skin, and promote detoxification.
- **Cryoglobe Massage:** Utilize chilled globes to reduce inflammation, minimize pores, calm redness, and invigorate the skin.
- **Integrated Manual Techniques:** Refine fundamental skills, including **Swedish massage** and precision **acupressure**, for ultimate relaxation and tension relief.
