

The Precision Room

Advanced Brazilian Waxing Look & Learn Masterclass

Fee: \$399

Instructor Information

Instructor: Desiree Couillard

Title: Master Cosmetologist (Esthetics)

CANS Licence #: 26868

Course Overview

This advanced one-day Look & Learn course is designed for licensed cosmetologists seeking to upgrade their professional skills in Brazilian waxing. The training focuses on advanced technique refinement, client comfort, sanitation standards, and Master-level service delivery through theory and live professional demonstration.

Course Duration

Total Hours: 4 (1 hour theory / 3 hours live demonstration)

Learning Objectives

- Identify advanced skin, vascular, and lymphatic considerations
- Understand contraindications and service refusal protocols
- Observe advanced Brazilian waxing techniques and flow mapping
- Apply sanitation and cross-contamination prevention standards
- Enhance client comfort, communication, and aftercare education

Products & Materials Provided

- Wax spatulas
- Hard wax and soft wax
- Wax strips
- Gloves
- Student booklet for note taking

Evaluation Method

Participants complete an observation-based evaluation checklist and short written reflection. Certificates of Completion are issued upon successful participation.

Prerequisites

Participants must hold a current Cosmetology Association of Nova Scotia licence. This course is intended for licensed professionals only.
