BUSINESS PERMIT REGISTRATION

Provided below is a list of required information and documentation required for the relocation of a commercial business.

Note: pursuant to the Nova Scotia *Cosmetology Act*, s. 30, applications will not be processed until all required documentation is confirmed received by the Association, and application and any other applicable fees per By-law Schedule B have been paid.

INSPECTION

Inspection of a cosmetology establishment is mandatory. The goal of coordinating an inspection is to ensure that cosmetology establishments are operating in compliance with industry legislation and policies, as well as operating in compliance with all other legislated safety protocols (i.e.: OHS requirements, etc.) for the safety of all cosmetologists, their clients, and other workers in the salon. Although inspections are typically conducted randomly, the Association is aware that salon hours may vary and will make every effort to accommodate operators during inspection (unless the Association has received a complaint against a cosmetologist and/or salon).

Note: it is an offence to deny an Association inspector entry to a cosmetology establishment for the purposes of salon inspection (*Cosmetology Act*, s. 41).

IMPORTANT

- **Permits are not transferrable.**
- All Cosmetology Association Licences and Permits (including Membership) expire on December 31st of each calendar year. Late fees apply. (If a Member's licence or permit is expired for more than 90 days, that Member's account will be suspended and their licence revoked.)
- An incomplete application may cause the Association to request supplementary documents and/or information which may prolong the application process. In addition, the Association may ask for additional proof that a business owner has fulfilled all other regulatory requirements to operate a cosmetology establishment prior to application approval.
- It is the responsibility of a business owner to contact the Association to obtain the required documentation and information for submission when a business (salon, school, or otherwise) has ceased to operate or has relocated to a new location.
- It is the responsibility of the business owner to advise the Cosmetology Association of Nova Scotia of new contact information, including but not limited to mailing and email addresses. If the Association receives returned mail on behalf of a Member, the Member's account will be suspended until such time as the Member has been in contact with the Association to update their contact information.
- A cosmetology establishment is mandatorily required to have at minimum one individual with an active First Aid certificate and WHMIS training working during open business hours.
- **LIFE INSURANCE:** All active licence holders (including registered cosmetology students) are eligible for Blue Cross Life Insurance, with no cost or obligation to the Member. Beneficiary designation forms are available on the Association's website under the "For Members" tab.
