Hello Distributors!

We hope you are well and safe during these troubling times. We understand, with no clear light as to when we may get back to normal; how difficult the lockdown can be and how it may be more challenging to support your customers. In order to help you, we at Wahl Canada, are happy to announce:

**Wahl's Online Education Platform on Skilljar:** <https://wahlacademy-wahlpro.skilljar.com/>

We hope that this online portal, will help our partners with Education. By providing solid information online, it can be utilized into structured home training as Covid19 keeps us out of our shops, salons and classes for the time being.

- Click on the link - You will find that's it very easy to navigate
- Education Modules will be constantly updated as needed
- The content on SkillJar is free of charge and updates weekly
- This material can be shared to your customers through your social media, either incrementally or all at once, enabling them to stay focused and connected to you.
- There is also 1 paid modular; the Bald Fade, coming directly out of the **Men's Method Graduate program**.
  - *We suggest that you can use this to create Men's Method interest to any schools you may be supplying to that are thinking of the program.*
  - *We can supply an access code for this class for a limited time.*
  - *Please contact me if you are interested and I can help walk you through the next steps.*

If you have any questions, please let me know and we can discuss further

Thanks & Stay Well!
