

NUVO SPA EXPRESS

Seeking full and part time staff including Estheticians, Barbers, Hairdressers, RMTs, Nail Technicians and Receptionists for the Aveda Concept Spa at Nuvo Spa Express at the Stanfield International Airport post security.

Therapist Responsibilities Include:

Delivering a variety of spa services:

(body treatments, massages, facials, waxing and manicure/pedicure)

- In a safe and comfortable manner
- Maintaining equipment and sample inventory of products
- Acknowledging and responding to relevant customer queries, needs and expectations

Barbers to provide:

- Cutting, trimming, shampooing, and styling hair
- Trimming beards, or giving shaves
- Cleaning and sterilizing scissors, combs, clippers, and other instruments

Registered Massage Therapist to perform:

- Therapeutic and medical conditions, injuries, or wellness maintenance

Hairdresser to perform:

- Scalp treatments
- Hair treatments, including deep conditioning some coloring

Requirements:

Staff must be familiar with Aveda products and must be able to answer all questions in regards to Aveda, as well as our wine and champagne. Bar experience *essential* for receptionist as well as in depth knowledge of all Aveda products.

*** All staff must hold a Red Security Pass, which could take 3-6 months to obtain. Green Passes are easily obtained, and are also acceptable until a Red Pass is received. There is no cost associated in taking the security course or application; Transport Canada reviews application (see link below.)

Nuvo Spa Express plans to open Spring 2018. The mandatory security course is provided by HIAA after successful completion of online application from Transport Canada. The application can be found on the Transport Canada website. <https://www.tc.gc.ca/eng/tscp-615.htm>

****This application must be filled out and printed before the interview can take place. The responsibility required is high and expected due to airport safety and security.*

Parking is available for airport staff which is \$35 monthly.

Please include your expected salary and experience in your application.

Thank you.
